VOLUME 14 • INDEX • WINTER, 1998 - FALL, 1998

AUTHORS

Apache, RR: Systematic application of activity-based intervention in physical education programming for preschool children with disabilities, Spring, p 32

Armstrong, J: The 1998 U.S. Independence Cup/North American Challenge Cup, Fall, p 36

Arnhold, RW (with Auxter, DA):
Legislative Update (Implementing IDEA—Phase II and other issues), Winter, p 6
Legislative Update (The Vocational Rehabilitation Act: Justification for increased appropriations of the recreation component), Spring, p 7
Legislative Update (Selected topics for discussions with Legislators), Summer, p 7
Legislative Update (Opportunities for recreational program funding), Fall, p 6

Beaver, DP: **Editor's Corner** (Arthritis Foundation—Fifty years ago and now), Winter, p 5
Editor's Corner (Everest Challenge 1998—A man and a mountain), Spring, p 4
Editor's Corner (Special Olympics—30 years of heroes), Summer, p 4
Editor's Corner (A coming of age—Sports for athletes with disabilities and the Amateur Sport Act?), Fall, p 5

Benedick, J: Nagano—My view, Summer, p 43

Brejcha, FA: Flying out of my wheelchair, Summer, p 34

Burnham, R (with Tuchak, C, Laskin, J, and Steadward, R): Heart rate, thermoregulation, and fluid balance among elite wheelchair basketball players, Spring, p 28

Clark, N: **Sport Nutrition** (Changing fat into fit), Winter, p 50
Sport Nutrition (Joining the lunch bunch), Spring, p 50
Sport Nutrition (Fluid tips for active people), Summer, p 54
Sport Nutrition (Fast food best bets), Fall, p 51

Conatser, P (with Block, M): Effective communication: An important factor in consulting, Summer, p 22

Connor-Kuntz, F: **APAC Action**, (Reggie Colton, wheelchair basketball), Winter, p 52
Focus on Training, (Katie Edgar, blind swimmer), Spring, p 52
Focus on Training, (Cara Dunne, blind cyclist), Summer, p 51
Focus on Training, (Theresa Fancher, blind skier; George Sansonetis, skier with dystonia), Fall, p 50

Cordova, J (with Miller, J, Leadbetter, G, Trombetta, S, Parks, S, and O'Hara, R): Influence of the National Disabled Veterans' Sports Clinic on self-concept and leisure satisfaction of adult veterans with disabilities, Winter, p 40

Cowart, J: Teaching swim skills to the hard to reach student, Winter, p 32

Crawford, S: **Bits & Pieces**, Winter, p 46
Bits & Pieces, Spring, p 54
Bits & Pieces, Summer, p 48
Bits & Pieces, Fall, p 44

Dummer, G: **Issues** (Media coverage of disability sport), Fall, p 56

Harkins, B: Hear that kid? A commentary, Fall, p 38

Hirsch, MA (with Rider, RA, Toole, T, and Hirsch, HVB): Falls prevention in individuals with Parkinson's disease: Part I: The importance of balance and resistance training, Summer, p 15; Falls prevention in individuals with Parkinson's Disease: Part II: Developing a balance and resistance training program, Fall, p 21

Huber, JH: **Issues** (USTA's Wheelchair Tennis Committee—A model for integration?, Winter, p 60
Issues (Casey Martin *Just does it* with a golf cart!), Spring, p 59
Issues (The role of education for mentoring volunteerism: An alternative answer to life-long community service), Summer, P 59

Janssen, MA: Therapeutic interventions: Animal assisted therapy programs, Fall, p 40

Johnson, C: How I grew up and found sports again, Summer, p 27

Lieberman, L (with Lepore, M): Camp Abilities: A developmental sports camp for youths who are visually impaired, Winter, p 28

Ling, K: **Focus on Training** (Reggie Colton—wheelchair basketball), Winter, p 52

MacGowan, B: Making history, stealing hearts: The Hartford 1998 World Disabled Sailing Championship, Fall, p 28

Mastro, J: Audio English mark darts: A bullseye for the blind, Fall, p 18

Petrofsky, JS: I can fly—So what if I'm paralyzed?, Summer, p 30

Scott, ES: **New Products**, Spring, p 49

Scruton, J: The Legacy of Sir Ludwig Guttmann, Spring, p 24

Shepherd, ME: **COSD Forum**, (Second meeting of quadrennium), Winter, p 12
COSD Forum (Third meeting of quadrennium), Spring, p 11
COSD Forum (Fourth meeting of quadrennium), Fall, p 15

Stanton, K: **APAC Action** (APAC award recipients; Newsletter; Officers elected), Summer, p 11
APAC Action (AAHPERD/APAC presentations, APAC award Nominations, APENS exam), Fall, p 10

Stopka, C (with Wolper, R, Scott, K, Seeger, J, Ballinger, R, and Graves, J): Pain-free exercise training for people with peripheral vascular disease?, Spring, p 20

Suyama, T (with Nihei, R, Kimura, T, Tobirnatsu, Y, Yano, H, and Mizukami, M): Twin basketball for those with cervical cord injuries (Quadriplegia), Winter, p 20

Webster, G: **National Scene**, Winter, p 16
National Scene, Spring, p 15
National Scene, Summer, p 9
National Scene, Fall, p 8

Weiss, CB (with Jeon, JY, Suh, M, and Steadward, RD): Modifying diet and exercise to reduce risk factors for diabetes mellitus and cardiovascular disease in people with spinal cord injuries, Winter, p 25

Yang, JJ (with Poretta, DL): The effect of a pre-shot routine on the basketball free-throw accuracy of Special Olympics basketball players, Spring, p 38

Yu, I (with Burton, AW): Ssireum (Korean wrestling) for persons with sensory and mental impairments, Summer, p 37

SUBJECTS

Amateur Sports Act
A coming of age—Sports for athletes with disabilities and the Amateur Sports Act? (**Editor's Corner**), Fall, p 5

Animal Therapy
Therapeutic interventions: Animal assisted therapy programs, Fall, p 40
APAC Action
APAC Action, APENS update; Adapted physical educators—Mark your calendars; Problems with inclusion; IDEA on the web, Winter, p 15; 1998 APAC awards recipients; APAC newsletter; New APAC officers elected, Summer, p 11; AAHPERD APAC presentations; APAC award nominations; APENS exam, Fall, p 10
Appropriations
The Vocational Rehabilitation Act—Justification for increased appropriations of the recreation component (**Legislative Update**), Spring, p 7
Arthritis
Arthritis Foundation—Fifty years ago and now (**Editor's Corner**), Winter, p 5
Athletes
A coming of age—Sports for athletes with disabilities and the Amateur Sports Act? (**Editor's Corner**), Fall, p 5
Balance
Falls prevention in individuals with Parkinson' s disease: Part I: The importance of balance and resistance training, Summer, p 15
Falls prevention in individuals with Parkinson's disease: Part II: Developing a balance and resistance training program, Fall, p 21
Basketball (see also **Wheelchair Basketball**)
The effect of a pre-shot routine on the basketball free-throw accuracy of Special Olympics basketball players, Spring, p 38
Bits & Pieces
Winter, p 54 (NASCAR—Accessibility; St. Louis Post Dispatch—the Bill McClellan Column; University of Central Florida; St. Louis Rams—Help for quadriplegics; Sports Illustrated; Little World Series—World track and field championships)
Spring, p 54 (CAHPERD Journal—Fall 1997; A great story—Internet and individuals with disabilities; Vets on bikes; Gordon Gund; NCAA—Athletes with disabilities; Chronicle spotlight)
Summer, p 48 (Gudrun Doll-Tepper honored for work in the Paralympic movement; The Salomon Smith Barney 7th Annual North American Wheelchair Championship Race; Another cliff-hanger; Horse whispering; News-letter on accessible travel options; Inspirational campus talk; National championship for sailors with disabilities; 1999 John K. Williams, Jr. International Adapted Aquatics Award)
Fall, p 44 (Wheeling across the Susquehanna River; El Capitan climb; Habitat for Humanity includes two accessible homes; Extraordinary art—Beyond the museum; Nutrition experts offer solutions to malnutrition in nursing homes; B1aze; Call for papers and posters; Changing lives abroad, A win-win combination; DSO award; Roosevelt and his wheelchair; Junior Division I0 K wheelchair race)
Blind (see **Visual Impairments**)
Camps
Camp abilities: A developmental sports camp for youths who are visually impaired, Winter, p 28
Cardiovascular Disease
Modifying diet and exercise to reduce risk factors for diabetes mellitus and cardiovascular disease in people with spinal cord injury, Winter, p 25
Cerebral Palsy
USCPAA (**National Scene**), Winter, p 18; Spring, p 17; Summer, p 11
How I grew up and found sports again, Summer, p 27
Hear that kid? A commentary by Bill Harkins, Fall, p 38
Cervical Cord Injuries
Twin basketball for those with cervical cord injuries (Quadriplegia), Winter p 20
Children (Preschool)
Systematic application of activity-based intervention in physical education programming for preschool children with disabilities, Spring, p 32
Communication
Effective communication: An important factor in consulting, Summer, p 22
Community Service
The role of education for mentoring volunteerism: An alternative answer to life-long community service (**Issues**) Summer, p 59
Consulting
Effective communication: An important factor in consulting, Summer, p 22
COSD Forum
USOC Committee on Sports for the Disabled second meeting, Winter, p 12
Meeting notes, agenda items, Spring, p 11
Fall meeting of the COSD, Fall, p 15
Cycling
Cara Dunne—USABA tandem cyclist (**Focus on Training**), Summer, p 17
Darts
Audio English mark darts: A bullseye for the blind, Fall, p 18
Deaf
AAAD (**National Scene**), Winter, p 16; Spring, p 15 (name changed to USADSF); Summer, p 10
Diabetes Mellitus
Modifying diet and exercise to reduce risk factors for diabetes mellitus and cardiovascular disease in people with spinal cord injury, Winter, p 25
Diet
Modifying diet and exercise to reduce risk factors for diabetes mellitus and cardiovascular disease in people with spinal cord injury, Winter, p 25
Changing fat into fit (**Sport Nutrition**), Winter, p 50
Fast food best bets (**Sport Nutrition**), Fall, p 51
Disabled Sports/USA (DS/USA)
DS/USA (**National Scene**), Winter, p 16; Spring, p 16; Summer, p 9; Fall, p 8
Dwarfs
DAAA (**National Scene**), Spring, p 15, Fall, p 8
Editor's Corner
Arthritis Foundation—Fifty years ago and now, Winter, p 5
Everest Challenge 1988—A man and a mountain, Spring, p 4
Special Olympics—30 years of heroes, Summer, p 4
A coming of age—Sports for athletes with disabilities and the Amateur Sports Act?, Fall, p 5
Exercise
Modifying diet and exercise to reduce risk factors for diabetes mellitus and cardiovascular disease in people with spinal cord injury, Winter, p 25
Pain-free exercise training for people with peripheral vascular disease, Spring, p 20
Extracurricular Activities
Physical education as a basis for extracurricular activities (**Letters**), Winter, p 11
Falls
Falls prevention in individuals with Parkinson's disease: Part I: The importance of balance and resistance training, Summer, p 15
Falls prevention in individuals with

Parkinson's disease: Part II: Developing a balance and resistance training program, Fall, p 21

Fitness
Changing fat into fit (**Sport Nutrition**, Winter), p 50

Fluid Balance
Heart rate, thermoregulation, and fluid balance among elite wheelchair basketball players, Spring, p 28
Fluid tips for active people (**Sport Nutrition**), Summer, p 54

Flying
I can fly—So what if I'm paralyzed?, Summer, p 30
Flying out of my wheelchair, Summer, p 34
The Stormy story, Summer, p 36

Focus on Training
Reggie Colton, wheelchair basketball, Winter, p 52
Kathleen "Katie" Marianne Edgar, USABA swimming, Spring, p 52
Cara Dunne, USABA tandem cyclist, Summer, p 51
Theresa Fancher, USABA skier,
George Sansonetis, DS/USA skier, Fall, p 50

Funding
Opportunities for recreational program funding (**Legislative Update**), Fall, p 6

Golf
Casey Martin *Just does it* with a golf cart? (**Issues**), Spring, p 59

Guttmann (Sir Ludwig)
The legacy of Sir Ludwig Guttmann, Spring, p 24

Heart Rate
Heart rate, thermoregulation, and fluid balance among elite wheelchair basketball players, Spring, p 28

Individuals with Disabilities Education Act
Implementing IDEA—Phase II and other issues (**Legislative Update**), Winter, p 6

Integration
USTA's Wheelchair Tennis Committee—A Model for integration? (**Issues**), Winter, p 60

International Paralympic Committee
IPC General Assembly Overview (**COSD Forum**), Winter, p 14

Issues
USTA's Wheelchair Tennis Committee—A model for integration? Winter, p 6
Casey Martin Just does it with a golf cart! (Issues), Spring, p 59
The role of education for mentoring volunteerism: An alternative answer to life-long community service, Summer, p 59
Media coverage of disability sport, Fall, p 56

Korean Wresting (see **Wrestling**)

Legislative Update
Implementing IDEA—Phase II and other issues, Winter, p 6
The Vocational Rehabilitation Act: Justification for increased appropriations of the recreation component, Spring, p 7

Leisure
Influence of the National Disabled Veterans' Winter Sports Clinic on self-concept and leisure satisfaction of adult veterans with disabilities, Winter, p 40

Letters
A mixed reaction; Physical education as a basis for extracurricular activities, Winter, p 11
S.O.S. for horse charity; *On common ground* uses PALAESTRA; Likes people first approach, Fall, p 6

Media
Media coverage of disability sport, Fall, p 56

Mental Impairments (see **Mental Retardation**)

Mental Retardation (see also **Special Olympics**)
SOI (**National Scene**), Winter, p 16; Spring, p 16; Summer, p 9
Ssireum (Korean wrestling) for persons with sensory and mental impairments, Summer, p 37

Mountain Climbing
Everest Challenge '98—A man and a mountain (Editor's Corner) Spring, p 4
El Capitan climb (**Bits & Pieces**), Fall, p 44

National Scene
Winter, p 16 (AAAD, DS/USA, SOI, USABA, USCPAA)
Spring, p 15 (AAAD, DAAA, DS/USA, SOI, USABA, USCPAA, WSUSA)
Summer, p 9 (DS/USA, SOI, USABA, USADSF, USCPAA)
Fall, p 8 (DAAA, DS/USA, SOI, USABA, WSUSA)

New Products
Spring, p 49 (Adjustable footrest; Safety at night; Lightweight adjustable crutch; Avoid poison oak, ivy, and sumac; Electric fishing rod)

Nutrition (see **Sport Nutrition**)

Paralympics
Nagano—My view, Summer, p 43

Physical Education
Physical education as a basis for extracurricular activities (**Letters**), Winter, p 11
Systematic application of activity-based intervention in physical education programming for preschool children with disabilities, Spring, p 32

Paralysis
I can fly—So what if I'm paralyzed?, Summer, p 30

Parkinson's Disease
Falls prevention in individuals with Parkinson's disease: Part I: The importance of balance and resistance training Summer, p 15
Falls Prevention in individuals with Parkinson's disease: Part II: Developing a balance and resistance training program, Fall, p 21

Publication Reviews
Winter, p 57 (Conatser adapted aquatics swimming screening test; How we play [video], Pictures from camp [video]; Gymnastics fun and games: 51 activities for children; The sports rules book: Essential rules for 54 sports; Teaching persons with disabilities to SCUBA dive; Aquatic therapy programming: Guidelines for orthopedic rehabilitation; Recommendations for accessibility guidelines: Recreational facilities and outdoor developed areas [1941]) Spring, p 56 (ACSM's exercise management for persons with chronic diseases and disabilities; Training techniques in cardiac rehabilitation; Positive behavior management strategies for physical education; Physical activity and cardiovascular health: A national consensus; The Nolan Ryan fitness guide, Paralympics: Where heroes come)
Summer, p 56 (A life without limitation [video]; Autism: The child who couldn't play [video]; Cerebral palsy: What every parent should know [video]; Judo and self defense for the disabled; Sensitivity and awareness: A guide for developing understanding among children [Turtle book]; Without pity: A film about disabilities [video]) Fall, p 53 (Borg's perceived exertion and pain scales; As I am: Portraits of Persons with developmental disabilities [video]; Causes of hearing loss [video]; Making the movements count: Leisure Activities for caregiving relationships; Exercise: It's never too late [video]; Games for people with sensory impairments: Strategies for including indi-

viduals of all ages; Socialization games for persons with disabilities: Structured group activities for social and interpersonal development; The exercise-health connection: How to reduce your risk of disease and other illnesses by making exercise your medicine; Exercise prescription for the high-risk cardiac patient)

Quadriplegia
Twin basketball for those with cervical cord injuries (Quadriplegia), Winter, p 20

Recreation
The Vocational Rehabilitation Act: Justification for increased appropriations of the recreation component (**Legislative Update**), Spring, p 7
Opportunities for recreational program funding (**Legislative Update**), Fall, p 6

Rehabilitation Act
The Vocational Rehabilitation Act: Justification for increased appropriations of the recreation component (**Legislative Update**), Spring, p 7

Resistance Training
Falls prevention in individuals with Parkinson's disease: Part I: The importance of balance and resistance training, Summer, p 15
Falls prevention in individuals with Parkinson's disease: Part II: Developing a balance and resistance training program, Fall, p 21

Risk Factors
Modifying diet and exercise to reduce risk factors for diabetes mellitus and cardiovascular disease in people with spinal cord injury, Winter, p 25

Sailing
Making history, stealing hearts: The Hartford 1998 World Disabled Sailing Championship, Fall, p 28
The 1998 U.S. Independence Cup/ North American Challenge Cup, Fall, p 36

Self-Concept
Influence of the National Disabled Veterans' Winter Sports Clinic on self-concept and leisure satisfaction of adult veterans with disabilities, Winter, p 40

Sensory Conditions (see also **Deaf and Visual Impairments**)
Ssireum (Korean wrestling) for persons with sensory and mental impairments, Summer, p 37

Skiing
Theresa Fancher—USABA skier, Fall, p 50
George Sansonetis—skier, Fall, p 50

Special Olympics
SOI (**National Scene**), Winter, p 16; Spring, p 16; Summer, p 9; Fall, p 8
The effect of a pre-shot routine on the basketball free-throw accuracy of Special Olympics basketball players, Spring, p 38
Special Olympics—30 years of heroes (**Editor's Corner**) Summer, p 4

Spinal Cord Injuries
Modifying diet and exercise to reduce risk factors for diabetes mellitus and cardiovascular disease in people with spinal cord injury, Winter, p 25

Sport Nutrition
Changing fat into fit (**Sport Nutrition**), Winter, p 50
Joining the lunch bunch (**Sport Nutrition**), Spring, p 50
Fluid tips for active people (**Sport Nutrition**), Summer, p 54
Fast food best bets, (**Sport Nutrition**), Fall, p 51

Sports
Media coverage of disability sport (**Issues**), Fall, p 56
USTA's Wheelchair Tennis Committee—A model for integration? (**Issues**), Winter, p 60
How I grew up and found sports again, Summer, p 27
A coming of age—Sports for athletes with disabilities and the Amateur Sports Act? (**Editor's, Corner**), Fall, p 5

Sports Camps (see **Camps**)

Sports Clinics
Influence of the National Disabled Veterans' Winter Sports Clinic on self-concept and leisure satisfaction of adult veterans with disabilities, Winter, p 40

Swimming
Teaching swim skills to the hard to reach student, Winter, p 32
Kathleen "Katie" Marianne Edgar—USABA swimming (Focus on Training), Spring, p 52

Therapy
Therapeutic interventions: Animal assisted therapy programs, Fall, p 40

Thermoregulation
Heart rate, thermoregulation, and fluid balance among elite wheelchair basketball players, Spring, p 28

United States Disabled Athletes Foundation (USDAF)
A mixed reaction (**Letters**), Winter, p 11

Vascular Disease
Pain-free exercise training for people with peripheral vascular disease, Spring, p 20

Veterans
Influence of the National Disabled Veterans' Winter Sports Clinic on self-concept and leisure satisfaction of adult veterans with disabilities, Winter, p 40

Visual Impairments
USABA (**National Scene**), Winter, p 17; Spring, p 16; Summer, p 10; Fall, p 9
Camp abilities: A developmental sports camp for youths who are visually impaired, Winter, p 28
Kathleen "Katie" Marianne Edgar USABA swimming (**Focus on Training**), Spring, p 52
Cara Dunne—USABA tandem cyclist (**Focus on Training**), Summer, p 51
Audio English mark darts: A bullseye for the blind, Fall, p 18
Teresa Fancher—USABA skier (**Focus on Training**), Fall, p 50

Volunteerism
The role of education in mentoring volunteerism: An alternative answer to life-long community service (**Issues**), Summer, p 59

Wheelchairs
Flying out of my wheelchair, Summer, p 34

Wheelchair Basketball
Twin basketball for those with cervical cord injuries (Quadriplegia), Winter, p 20
Reggie Colton—wheelchair basketball (**Focus on Training**), Winter, p 52
Heart rate, thermoregulation, and fluid balance among elite wheelchair basketball players, Spring, p 28

Wheelchair Sports USA
WSUSA (**National Scene**), Spring, p 18; Fall, p 10
The legacy of Sir Ludwig Guttmann, Spring, p 24

Wheelchair Tennis
USTA's Wheelchair Tennis Commit tee—A model for integration? (**Issues**), Winter, p 60

Winter Activities (see also **Skiing**)
Influence of the National Disabled Veterans' Winter Sports Clinic on self-concept and leisure satisfaction of adult veterans with disabilities, Winter, p 40

Wrestling
Ssireum (Korean wrestling) for persons with sensory and mental impairments, Summer, p 37
